Why choose Human Touch Care?

What sets us apart from the rest?

Human Touch Retirement Group commenced operations in 2005 and now has three retirement villages - Macarthur, Camden and Bowral. We have experience in the delivery of retirement living services that now dovetails perfectly with home care provision to our residents and the wider community. Our clients feel supported and well looked after by our highly trained nursing and support staff.

We are confident that Human Touch Care can give our clients a sense of belonging, control, the ability to thrive socially and enable them to live fulfilling independent lives and maintain meaningful interactions with the wider community.

Let us build you a great Home Care Package tailored perfectly to your needs

Friendly, professional highly trained staff	Connections in your local village	Consistency and reliability
Our staff are passionate about providing quality care to our clients to ensure you can live happily and safely at home.	Right there in your village when and where you need us to make sure you can have someone you trust close by.	At Human Touch Care we are passionate about providing people you can trust to care for you and have built a great relationship with

How does it work?

Three easy steps to get started with us

1. Chat with our caring team

Call our 1300 number to speak with our friendly staff about your situation. We will assist you through the next steps to get the help and support you need.

2. Choose the services and support you need

Our friendly and professional Clinical Services Manager will help you to find the best supports and services to enable you to live your life as independently and fulfilling as possible. We will develop a care plan together that will support you and meet your care goals. We want you to live a safe and happy life at home

3. Start receiving the care and support services you need at home

Now that we have worked out what support services you need, you will start to receive them. This will ensure you can stay living at home independently with our support to help you with the things that are more difficult. The services you receive will be those things that together we identified and wrote in your support plan. If things change your Clinical Services Manager is always there to adjust your services as needed.

Our Services

Human Touch Care's vision is to provide home care services to keep you safe and well in your own home

We offer a comprehensive range of high-quality services to support you living longer in your own home

Our professional caring staff deliver flexible services tailored to fit your care and home needs

We have a broad range of allied health services that can deliver prompt and expert care in your own home

Our assessment processes are all about giving you dignity and choice. We discuss everything with you and work out a care plan that is tailored to meet your needs

PERSONAL CARE

This includes showering, dressing, toileting, personal hygiene and grooming, mobility and assistance to eat

RESPIRE

Companionship and care for you while your carer gets some respite from regular caregiving duties

NURSING

This could include wellbeing checks/monitoring of any medical conditions, wound care and management, medication administration/prompting and other clinical services as required.
